Contact person	Valerie Faulks. Principal

Principal's foreword

This report outlines the key achievements of our school. The report is a celebration of skills, talents and dedication of our staff; the accomplishment of our students; and the invaluable partnerships our school has with parents and the wider community.

School progress towards its goals in 2015

Improvement Agenda

- Improvement in the consistent instructional practices in the teaching of Numeracy
- Improvement in the consistent instructional practices in the teaching of Reciprocal Reading
- Improvement in the consistent instructional practices in the teaching of the Writing Process
- Improvement in the consistent instructional practices in the teaching of Spelling and Vocabulary

Priority Areas of Development

- Explicit Teaching
- The Art and Science of Teaching
- Instructional Leadership

Biggera Waters State School staff has worked tirelessly throughout 2015 to meet the goals negotiated in the school operational plan. Systemic priorities were a large focus within the school, with all sectors of the school reviewed. The focus on the Australian Curriculum allowed our school the opportunity to reflect, plan and review the operational programs within our school. At all times within the curriculum development; we were looking to the introduction of the resource support materials, and the impact of this material onto the pedagogy within the classroom.

Future outlook

In 2016 the focus of our future development will be in the following priority areas:

- Improvement in the planning, pedagogy, assessment and student results in the area of Reading
- Improvement in the planning, pedagogy, assessment and student results in the area of Number
- Improvement in the planning, pedagogy, assessment and student results in the area of Writing

Our school at a glance

School Profile

Coeducational or single sex: Coeducational

Independent Public School: No

Year levels offered in 2015: Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2013	814	398	416	28	96%
2014	836	423	413	38	95%
2015	817	404	413	36	94%

Student counts are based on the Census (August) enrolment collection.

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2015, there were no students enrolled in a Pre-Prep program.*

*Pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the student body:

Our school predominately services the communities of Runaway Bay, Biggera Waters, Coombabah and Labrador. An enrolment management plan has operated since 2000 which ensures that students who reside within our defined boundary are enrolled. Classes consist of single teaching and team teaching units and year levels operate on a traditional structure. Our teaching staff is talented, skilled and dedicated group of professionals. Some teachers specialise in specific areas such as Languages Other than English (LOTE), Physical Education, Music, Support Teacher Literacy and Numeracy and Instrumental Music.

Our students are also supported by visiting teachers such as Guidance Officer, Speech Language Pathologist, Teacher for English as a Second Language, and Teacher for Educational Adjustment for students with disabilities. The After School Hours Care service, provided by an external provider, operates within the school grounds.

The school has benefited from a proud tradition of support from the active Parents and Citizens Association. The range of facilities is testament to the dedication of the Association to supporting student learning.

Average class sizes

Phase	Average Class Size		
	2013	2014	2015
Prep – Year 3	20	23	20
Year 4 – Year 7 Primary	25	21	24
Year 7 Secondary – Year 10			
Year 11 – Year 12			

*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2013	2014*	2015**
Short Suspensions - 1 to 5 days	12	10	13
Long Suspensions - 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

**From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

Curriculum delivery

Our approach to curriculum delivery

Curriculum programs are complimented by visits to and from outside organisations including:

- StarLab
- CPR Help
- Bravehearts
- Fire Safety
- Fire House
- Bicycle Safety
- Games Gurus
- School Camp
- Leadership Camp

The listed programs engage our students in real- life hands on learning experiences. Students were also able to participate in University of New South Wales testing. Students competed in the local chess competitions.

Extra curricula activities

Chess tuition, Under 8's Day, camping program (year 6)Eisteddfods, curriculum related excursions, guest speakers and presentations, Premiers Reading Challenge, Safe Surfing, and skills instruction by local and overseas sporting groups e.g. Labrador Hockey, Auskick and Runaway Bay Basketball.

Students have the opportunity to participate in the University of N.S.W. English and Mathematics Competitions.

There is a strong music program. As well as weekly class music lessons students have the opportunity to learn a musical instrument, with strings being available from Year 3 and Brass/woodwind being available from Year 5. Selected instrumental music students attend a Music Camp, along with day workshops with students from other schools. Students also have the opportunity to belong to the school choir – both a junior and a senior choir operate. A musical evening is held at the end of each year showcasing the achievements of our instrumental music students.

Our physical education program includes weekly swimming classes for all students in Years 1-6 (Terms 1 and 4), opportunities to participate in interschool sport (summer and winter program) and opportunities for out of hour's programs such as Fit Kids and Auskick. A sports skills program operates for those students who do not participate in interschool sports. The emphasis of our athletics program is maximum participation and therefore our athletics days are structured to enable all students to participate. A weekly running club operates two mornings per week with family members joining their children in this exercise program. Many of our students represent Gold Coast District at regional and state level.

Italian students have the opportunity to participate in the annual Modern Languages Speech Competition, 'Giornata della Poesia Italiana' competition, and cultural events such as Carnevale.

How Information and Communication Technologies are used to improve learning

Biggera Waters State School in 2015 continued to support a purchasing program to develop information and communication technologies through the planned purchase computer hardware. The use of technology has increased across all year levels within the school. The school has moved to the introduction and use of iPads with special needs students, along with the introduction of iPads for specific reading and teaching strategies in all classrooms. Further purchasing has been carried out in 2015 to support Information and Communication Technologies. 200 iPads have been purchased for junior school classes to increase the hands on capacity on classrooms. Further purchasing in 2016 will enhance information and communication technologies in the senior classrooms.

Social Climate

Biggera Waters State School has a Code of School Behaviour implemented through the Responsible Behaviour Plan for Students. This plan was reviewed throughout 2015 through the Parents and Citizens Association. Parents, staff and students gave rigorous feedback with inclusions to our plan to include electronic media and social network bullying. The students also have been proactive in displaying their expectation of electronic media appropriate usage.

Inherent in this plan is the belief that rights and responsibilities go hand in hand and that all in the school environment have the right to feel safe and to learn. Our plan provides a clearly articulated approach to support and acknowledge acceptable behaviour, and to support and acknowledge consequences for non-compliant behaviour. This support is coordinated by the Special Needs Team and on occasion, external agencies also provide support e.g. Kids Helpline.

A Biggera Waters State School dress code was developed in consultation with the school community. The vast majority of our students wear our uniform with pride. Our Games Gurus program continued to successfully operate. Students in Year 5 were trained to provide playground support and activities for students in the junior school. This program assists with the selection of student leaders for the 2016 academic year.

Parent, student and staff satisfaction with the school

Performance measure	2013	2014	2015
Percentage of parent/caregivers who agree [#] that:			
their child is getting a good education at school (S2016)	95%	96%	93%
this is a good school (S2035)	97%	94%	98%
their child likes being at this school (S2001)	97%	98%	95%
their child feels safe at this school (S2002)	97%	96%	98%
their child's learning needs are being met at this school (S2003)	89%	94%	93%
their child is making good progress at this school (S2004)	94%	94%	93%
teachers at this school expect their child to do his or her best (S2005)	100%	96%	95%
teachers at this school provide their child with useful feedback about his or her school work (S2006)	89%	92%	93%
teachers at this school motivate their child to learn (S2007)	91%	94%	93%
teachers at this school treat students fairly (S2008)	100%	94%	91%
they can talk to their child's teachers about their concerns (S2009)	94%	96%	95%
this school works with them to support their child's learning (S2010)	89%	90%	86%
this school takes parents' opinions seriously (S2011)	88%	90%	93%
student behaviour is well managed at this school (S2012)	94%	92%	95%
this school looks for ways to improve (S2013)	94%	96%	95%
this school is well maintained (S2014)	89%	94%	95%

'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.
DW = Data withheld to ensure confidentiality.

Parent and Community Engagement

2015 saw the continued active participation of an empowered Parents and Citizens Association. Parents became proactive and supporting of the parent body; with parents seeking the opportunity to participate in the organisational management of the school and to provide services that directly met the needs of students.

The Association supported specific curriculum as well as enhancements throughout 2015 specifically enhancing technology budget within the school, purchasing classroom reading resources, library resources, supporting the physical education and music programs within the school.

Biggera Waters State School actively encourages parents and community members to become involved in their child's education through:

- Parent and Citizens' membership
- Training of parents to scan and change home readers
- Encouraging parent attendance at culminating events
- Encourage parent attendance at sports days
- Encouraging parents in the process of teaching reading
- Encouraging parents to be involved in active parenting – 1,2,3 Parent Magic, Incredible Years Parenting
- Encourage parent attendance at Under 8's Day , Education Week activities
- Parent information and interview information gathering sessions held at the commencement of the school year
- Parent teacher interviews are offered twice yearly
- Encouraging parents to support school fund raising initiatives
- Involving parents to be involved when compiling Educational Support Plans
- Encouraging a sense of community within the school through the school newsletter issued fortnightly
- Parent involvement is encouraged through attendance at weekly assemblies
- Parent participation and support is encouraged at school discos

Parents and the wider school community are encouraged to be involved and welcomed into our school. We welcome the parent and wider community to our classrooms and school daily. The open door policy is being developed throughout the school.

We have developed throughout 2015 Ready Reader Volunteers from the wider community. This group of volunteers continue to return due to the fact that staff and students make the volunteers feel welcome and needed. We value the Ready Reader Volunteers contribution to our school and look forward to increasing the number of volunteers in 2016.

Reducing the school's environmental footprint

During 2015 measures were taken to reduce the school's environmental footprint. The measures were, use of the water tanks, all lights and fans turned off at each break. Computers are also shut down at the end of each day.

Years	Environmental footprint indicators	
	Electricity kWh	Water kL
2012-2013	185,583	4,537
2013-2014	195,808	3,489
2014-2015	197,598	3,234

*The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

Our staff profile

Staff composition, including Indigenous staff

2015 Workforce Composition	Teaching Staff*	Non-teaching Staff	Indigenous Staff
Headcounts	58	27	0
Full-time equivalents	50	18	0

Qualification of all teachers:

Highest level of attainment	Number of Teaching Staff *
Certificate	0
Diploma	6
Advanced Diploma	10
Bachelor Degree	27
Graduate Diploma etc.**	3
Masters	4
Doctorate	0
Total	50

*Teaching staff includes School Leaders

**Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2015 were \$ 45,000.00

The major professional development initiatives are as follows:

Special Education updates

Regional Principal's Conferences

Deputy Principals' Core Business Days

Support Teacher Learning Difficulties Professional Development Days

Music Conference

First Aid Update

CPR update

Teacher Aide Training

iPad training

SE Region Principal's Professional Learning – Leadership Practices Inventory

Facilities Staff Core Business Days

The proportion of the teaching staff involved in professional development activities during 2015 was 100%.

This was due to all teaching and non-teaching staff undertaking The Art and Science of Teaching – Marzano training in conjunction with all teaching staff attending Explicit Teaching training conducted by Dr Anita Archer.

Average staff attendance

	2013	2014	2015
Staff attendance for permanent and temporary staff and school leaders.	96%	96%	96%

Proportion of staff retained from the previous school year

From the end of the previous school year, 94% of staff was retained by the school for the entire 2015 school year.

Performance of our students

Key student outcomes

Student attendance	2013	2014	2015
The overall attendance rate for the students at this school (shown as a percentage).	93%	92%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).	88%	91%	91%

The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall attendance rate in 2015 for all Queensland Primary schools was 93%.

Student attendance rate for each year level (shown as a percentage)

	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12
2013	93%	92%	94%	93%	91%	93%	91%	91%					
2014	92%	92%	92%	94%	93%	90%	92%	90%					
2015	92%	93%	92%	93%	93%	95%	91%						

*From 2013, the methodology used for calculating attendance rates effectively counts attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

Student attendance distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

Class rolls are marked by class teachers twice daily. Staff members are diligent in following up student absence. Class teachers follow up absences immediately with the administration team. Members of the administration make phone calls to families to determine absence and offer strategies for support if required. Extreme cases are discussed and managed through the special needs team.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7, and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the My School link above. You will then be taken to the My School website with the following 'Find a school' text box.
